**Supply of gas to co-operative societies**

**\*300. SHRIMATI JAYA BACHCHAN:** Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

- (a) the details of localities where piped cooking gas connections have been given in each of the Metro cities in the country;

---

<sup>t</sup>Original notice of the question was received in Hindi.

(b) whether it is a fact that preference in this regard is given to areas where co-operative societies are located; and

(c) if so, the details of such areas in the aforesaid Metro cities not yet covered along with the reasons therefor?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI MURLI DEORA): (a) Piped Natural Gas (PNG) is at present being supplied in the cities of Mumbai and its suburbs by Mahanagar Gas Limited (MGL) and in Delhi by Indraprastha Gas Limited (IGL). MGL is providing PNG to over 2,74,000 homes and 835 small commercial and industrial consumers in Mumbai and its suburbs. IGL has provided connections to more than 64,000 households in the various localities of Delhi. The details of localities where PNG connections have been provided by both the companies are given in the Statement. (See below)

(b) No specific preference is given to any particular kind of localities. Gas is provided to all households, wherever infrastructure is available and is technically feasible.

(c) Since laying of pipelines for supply of PNG is a continuous process, other areas in these cities will be covered in a phased manner.
